

## Acolyting Schedule 2016

(January to January)

Pastor and I put a schedule together for Year 2016. It was the council decision to keep all youth on the schedule until graduation. Our classes are becoming smaller and the more students we have for the schedule the more options you have for subs and less frequency of serving. I will still be including them with Church Talk Servers Duties, but I thought it would be helpful for you to have them for the entire year. As in the past, if you aren't able to fulfill your duties, it is your responsibility to find your own replacement. Thank you for serving your church family.
