

## COMMUNION DUTIES--2011

Peace Circle is responsible for Communion duties this year. I have made out a list of the dates we have Communion and have appointed people from Peace Circle to serve two services. Note the date when you are to serve.

If the date I have you down for won't work for you, you are responsible to get someone to take your place. Maybe you can exchange dates with someone. This also means contacting one another for setting up communion. It may be a good idea to check with Pastor on special occasions to see if Communion is by intinction or using the glasses. A reminder will also be in the Church Talk a month before you are to serve.
